- Troop bucks are earned by a Scout for participating in fund-raising activities above and beyond the level expected of him.

- Troop bucks can be used by the Scout in lieu of any payment to Troop 423 by notifying the collecting leader that they wish to use Troop bucks.

- Troop bucks **must** be first used to bring dues up to date before they are used for other purposes.

- Any Troop bucks that are unused at the time a Scout is no longer registered with Troop 423 as an active member are the property of Troop 423.

**- An error sometime between March & June 2011 caused amounts remaining to be incorrect. These amounts have now been corrected. Those with a negative amount remaining through no fault of their own will not be penalized for it.**
